

GLS
CORPORATION

GLOBAL PERSPECTIVES | LOCAL KNOWLEDGE | SUSTAINABLE OUTCOMES

ABOUT GLS CORPORATION

Global perspective, Local knowledge, and Sustainable outcome- are the attributes that GLS stands for and our team strives to achieve these in all their activities. GLS has been serving customers with integrity, professionalism, and diligence since its incorporation. We are supplying industrial raw materials and solutions to relevant industries thus contributing to the industrial revolution of Bangladesh.

GLS consists of 6 business units: 1. Steel and Aluminum 2. Diaper and Hygiene 3. Food and Beverage 4. Energy and Polyolefin 5. Pulp and Paper and Tissue 6. Machinery and Spare Parts. All of these businesses were managed jointly and shared a common corporate history and values.

Inaugurating its journey in 2015 with supplying core raw materials in Steel Industries; GLS Corporation is now successfully started its operation in supplying raw materials in Diaper and Hygiene, Food and Beverage, Pulp and Paper & Machineries and Spare parts, Aluminum industries. We collaborate with reputed manufacturers and suppliers across Europe, America and Asia. We excel in supplying quality materials as per requirement, trade terms, LC handling, on time delivery, banking activities, shipping documents handling, customs & clearing, transport and effective response. We're thriving daily and planning to extend our services with the inspiration and credibility that we have gained from our customers over the course of time.

MISSION

GLS strives to broaden our business presence in new industries and solidify our existing business relationship with our stakeholders.

VISION

GLS brings diversified products and services to be established as the best Bangladeshi indenting company while helping customers ease business processes, better networking & best customer support.

FOUNDER'S PROFILE

IN LOVING MEMORY OF
LATE MD. LUTFOR RAHMAN
(1956-2021)

A true genius great leader, entrepreneur Mr. Md. Lutfor Rahman (Late) was born in Gopalganj district under Faridpur division in 1956. His father was Late Abdul Gani Khaki and his mother was Late Lal Moti.

GLS Corporation was founded by Late Md. Lutfor Rahman after his retirement from Bangladesh Police department in 2012. He was promoted to Inspector of police and got the opportunity to serve Bangladesh govt. for more than two decades. He established the business in 2013 and started the dreams to provide the nation with world class quality products and to bring fame and respect for the newly formed Bangladesh in the business world.

He was a firm believer of family values and involved his only son to his dream journey and brought together people from different industries with vast experience and created not just a company but a family in which the members are equally passionate about taking business forward and fulfilling the dream to serve the nation and plays an important role in the economical revolution of the country.

All the barriers of establishing GLS were overcome by sincere efforts and consistent quality of efforts by its heard working team under the guidance and leadership of the founder of GLS. By winning the trust and confidence of the customers and strategic partners, GLS become synonymous with reliability and quality.

In memory of a great man and a visionary, who will live for a thousand years through the countless well-wishers and friends scattered around the world.

We pray that Allah forgive his shortcomings, make his grave filled with noor and grant him Jannah-tul Firdous - Ameen.
